

Advice Interactive Group Named to the Inc. 500 List of Fastest-Growing Private Companies for Second Year

Dallas SEO Company, Advice Interactive Group is, once again, named one of the fastest growing advertising and marketing companies in America

DALLAS, TX — Advice Interactive Group is pleased to announce that Inc. Magazine has ranked the Dallas SEO Company number 131 on its 32nd annual Inc. 500|5000 list. For the past two years, Advice Interactive has made the list, which is an exclusive ranking of the nation's fastest-growing private companies and a comprehensive look at who's who among growing companies.

“Being named one of the fastest growing private companies in America by Inc. Magazine in 2012 provided validation that we had Advice Interactive Group on the right track for growth,” says Bernadette Coleman, CEO. “Making the Inc. 500 list two years in a row further confirms that the leadership decisions we have made over the past two years were the right decisions for sustained growth.”

The 2013 Inc. 500 was announced online at Inc.com on August 20, and in the September issue of Inc. As stated by Inc. magazine, the 2013 Inc. 500 class is the most exclusive in the history of the awards. The Dallas interactive marketing company, Advice Interactive Group, moved up the rankings on the overall list, from 155 in 2012 to 131 this year, and ranked number 23 in the Advertising and Marketing category. The minimum sales growth to make the cut was 918%, and Advice topped that with 2,807.9%, a staggering rate.

Advice Interactive Group continues to implement their strategies for continued rapid growth in 2014 and beyond. Earlier this year, the interactive marketing agency launched BizVizable, a “business-in-a-box” opportunity for entrepreneurs who are interested in owning their own internet marketing agencies, but who need an experienced partner, like Advice, to help them succeed. Advice Interactive Group also recently added Rob Garner, author of “Search and Social: The Definitive Guide to Real-Time Content Marketing” (Wiley / Sybex 2013), to its team as Chief Strategy Officer. Jonathan Kaufman, President of Advice Interactive Group, says, “We believe we have the right team in place and the right offerings, for enterprise and local businesses alike, to continue our tradition of producing satisfied, successful clients.”
