

## **BizVizable Announces New Digital Marketing Agency in Fort Lauderdale, FL**

*BizVizable Launches New Local Search Website to Help Fort Lauderdale Businesses Get Found Online*

**Fort Lauderdale, FL** – BizVizable, owned by Advice Interactive Group, has launched a new digital agency aimed at helping small business owners looking for full-service Internet marketing and SEO services in Fort Lauderdale, FL. The new agency, BizVizable Fort Lauderdale, provides [local search tools](#) for business owners in the area looking to increase their rankings on search engines like Google, Yahoo, and Bing.

Because Internet users rely on search engines to provide them with relevant businesses based on a certain search query, SEO and ranking high within web results pages has become an increasingly competitive task. The SEO experts at BizVizable Fort Lauderdale are dedicated to helping local area businesses increase their rankings, thereby also increasing their online visibility, their online reputation, and their sales leads and profits.

The new BizVizable agency is a full-service SEO firm, providing clients with services like custom website design and development, social signal posting, and [local directory submissions](#). All of these aspects are crucial to a good online marketing strategy and for increasing visibility across search engines, social network platforms, and local online directories.

Often, local business owners puzzle over why their sales are down, when the answer lies in their visibility. Businesses are encouraged to use BizVizable Fort Lauderdale's [free visibility report](#) tool, which shows exactly where their business is listed online. After reviewing the results, business owners can choose to have a BizVizable agent contact them about what the business can do to improve through monthly SEO services.

Interested parties can request more information about BizVizable Fort Lauderdale's services or SEO packages by calling 954-552-1448.
